- If the publication/patent is by a single author of PIMR, Indore then full incentive will be payable to that author.
- In the case of multiple authors, the cash incentives will be divided among the first four authors in the ratio of 4:3:2:1. No cash incentives will be paid to the authors placed after the 4<sup>th</sup> position.
- If authors are from different institutions, then cash incentive will be calculated using the above ratio (4:3:2:1) but will be payable to the faculty members of PIMR, Indore only. No incentive will be provided to the authors from other institutions.

IV. The decision of the Research Committee will be final.

3. The rules for **Nomination of Faculty / Staff Members for Conferences / FDPs /etc.** shall be substituted with the following:

All the full-time faculty/staff members having worked for at least one year in the institute are eligible for nomination for two Conferences/FDP/SDP/etc. (national or international) within India during an academic year. The sponsorship includes registration fees, traveling, lodging, and dearness allowances which are borne by the institution according to the separate rules of traveling approved by the Finance Committee. If the faculty member has already taken sponsorship for an international conference held abroad using the rule mentioned below then nomination for only one Conference/FDP/etc. within India during that academic year will be possible.

All the full-time faculty members having worked for at least five years in the institute on the UGC/AICTE scale offered by the Institute are eligible for nomination to an international conference held **abroad** once in two academic years. The faculty member can be nominated on the following terms subject to prior approval from the Management (PEF):

1. Full delegate fee and domestic travel
2. 50 percent of the stay abroad and international travel

4. The rules for **Research Misconduct** shall be substituted with the following:

The Institute defines research misconduct, as any fabrication or plagiarism in proposing, performing, or reviewing research or in the reporting of research results. Research misconduct does not include an honest error or differences of opinion that do not involve plagiarism, and violations of other policies of the Institute. Misconduct in research damages the integrity of the profession and undermines the credibility of scholars. The Institute shall take seriously all allegations of research misconduct and shall ensure that the procedures for the inquiry, investigation, and adjudication of any misconduct are well-defined and just for all parties involved. The institute has an anti-plagiarism policy in accordance with the 'Code of Ethics for Academic Integrity and Plagiarism' suggested by UGC.
