PROGRAM OVERVIEW

The MBA (Financial Administration) at PIMR is a specialized postgraduate programme designed to develop financial leaders equipped with strategic, analytical, and regulatory expertise. The programme integrates core management principles with advanced financial concepts, including corporate finance,

investment management, banking, financial markets, risk management, and FinTech. Aligned with Outcomes-Based Education (OBE), the programme emphasizes experiential learning, industry exposure, and career readiness.

WHY MBA (FINANCIAL ADMINISTRATION) AT PIMR? – KEY USPs

Industry-Oriented Curriculum: A contemporary curriculum covering Corporate Finance, Financial Markets, Banking, Risk Management, Taxation, and FinTech to prepare students for the evolving financial sector.

- **Experiential Learning:** Hands-on exposure through live projects, case studies, financial modeling, internships, and practical assignments.
- **Placement-Focused Skill Development:** Specialized training in financial analysis, valuation, portfolio management, and regulatory compliance to enhance career readiness.
- **Simulated Business Learning:** Real-time decision-making exposure through business simulations and interactive learning tools.
- **Strong Conceptual Foundation:** Core learning in Accounting, Economics, Quantitative Finance, and Strategic Financial Management to build analytical and managerial capabilities.
- **Legacy of Excellence:** Over 30 years of academic excellence with experienced faculty and strong industry connections.
